FOR TRACK MEET

GREAT PREPARATIONS ARE BEING MADE.

MANY SCHOOLS COMING

Declamatory Contest on Friday and Meet on Saturday—Cups and Medals on Display.

Great preparations are being made for the fifth annual track meet of the Northwest Missouri Inter-High School association, to be held at Normal athletic field, April 25. The largest crowd that ever attended a track meet in Maryville is expected to take part in the events this year if the weather is good.

The reception committee, of which W. M. Oakerson is chairman, is greatly in need of rooming and boarding houses for the big crowd that is expected. Information cards are at Reuillard's and Pearson's drug store. Many people will come in Thursday and Friday, and they will have to be taken care of.

Thirty-three high schools will compete in the track events and literary contests. Twenty-seven high schools have entered the track meet events, being eight more than last year. There are 196 students to take part in the track events. The preliminary contests will be held Saturday morning and the main events will start at 2 o'clock sharp Saturday afternoon.

The elimination contest of the oratorical events will be held Friday afternoon at the Normal. Nineteen orations, fifteen declamations and seven essays have been sent in for the oratorical contests. The oratorical contests will be held at the Normal chapel Friday night, starting at 8 o'clock. The St. Joseph Central high school orchestra will furnish music.

The trophy cups are on display at DeHart & Holmes' jewelry store. There are four of them, championship, class B, class C and relay cups. The gold, silver and bronze medals are on display at Raines Bros.' jewelry store. The cups are for schools and the medals are for individual winners of events.

Tickets will be put on sale Wednesday morning. Admission charges are as follows. Oratorical contest, 25 cents; track events, 25 cents; preliminary track events, 10 cents.

Spectators will not be allowed on the field or track during the athletic events. This rule will be strictly enforced this year, and no one will be allowed on the field unless he be an official or an attendant. Much complaint was made last year of spectators crowding on the field and the track men were hampered in their efforts

It is probable that the Maryville band will furnish music during the meet. The Union Bus company will run motor buses to the grounds, starting from the corner of Fourth and Main streets.

The four high point getters in last year's track meet were: First, St Joseph Central high; second, Bosworth; third, Platte City; fourth, Chillicothe. Eleven new records were made last year and four stood unequaled. With the absence of two stars of the 1913 track meet, Simpson of Bosworth and Niedorp of St. Joseph Central, it is probable that but a few records will be broken this year.

The winners in the oratorical contests of 1913 were: Girls' declamatory, Hazel Vaughn of St. Joseph Central; boys' oratorical, Roy David of Maryville; essay contest, A. F. Baker of Platte City.

The officers of the 1915 track meet and literary contests will be elected Friday night. The officers of this year's meet are:

President—A. R. Coburn of Chillicothe.

Vice president—F. C. Touton of St. Joseph.

Secretary—J. C. Godbey of Tarkio.

Treasurer—W. M. Westbrook of Maryville.

Corresponding secretary—H. P. Swinehart.

Arrested for Drunkenness.

G. C. Macleroy, William Jackson and Ira Smith were arrested Saturday night, charged with drunkenness. They were tried before Mayor U. S. Wright on Monday morning, each pleading guilty and were fined $2 and costs, making a total of $8.10.

School Board Met.

The Maryville school board met Saturday night and ordered an issue of a 5-mill levy for a sinking and interest fund. They adjourned after allowing regular monthly bills.

DOPE FAVORS ST. JOSEPH.

Central High School of That City Expects to Win Saturday—Platte City is Coming.

The St. Joseph Central high school track team is coming to Maryville Saturday and expects to carry off the honors. Coach Moyer of that school has picked his team and he is sanguine of success. Central has only lost first place once since the track meets have been held here during the past four years.

Coach Moyer figures that his team can win forty points, not counting any firsts, which would be sufficient to carry away the honors. Two star men have been developed in the discus. Rohloff swung the weight 106 feet in the trials a few days ago and Johnson has a record of 115 feet, but he has trouble staying in the ring. Rohloff has a mark of 39 feet in the shot, which should be good for a place. In the high hurdle trials Rice cleared the sticks recently in 18 flat, breaking the Maryville record, while Castle equaled it with 18-1. Hastings is the best miler in the school. He is a junior and a new student at Central, coming here from Martin, Kan. He should be good for 5:06 or 5:07. He can run the half in 2:13. Sellars ran the quarter in 58 the other day on a poor track. This is equivalent to about 55 on a good track.

Platte City is also to be well represented in the track meet and declamatory contest in Maryville Friday and Saturday. The following is a dispatch from that city as to their team:

The following will go to Maryville to the track meet and oratorical contest: Ward Miller, Heber Hunt, Robert Boydston, Placeit DeMasters, R. Miller, Lloyd Hoskins, R. Jacks, Joy Davis, William Skillman, Danny Stamper and Miss Juanita Risk. Miss Risk will enter the declamatory contest with "Ramola and Savanarola." Heber Hunt is on the track team and will also enter the oratoricals with "Webster's Reply to Hayne." R. Boydston, captain of the track team, will compete in the essay contest with "The Keokuk Dam and Its Significance." The track entries follow:

100-yard dash—R. Miller, DeMasters.
220-yard dash—R. Miller.
440-yard dash—R. Miller, W. Miller.
Half-mile—DeMasters, Stamper.
Mile—DeMasters, Stamper.
120 hurdles—Hoskins, Skillman.
220 hurdles—R. Miller, Boydston.
Pole vault—Skillman.
Shot put—R. Miller, Davis.
Half-mile relay—Skillman, DeMasters, Jacks, R. Miller, Hoskins, W. Miller, Boydston.
Running high jump—Hunt, Hoskins, Skillman, Boydston.
Running broad jump—Skillman, Hoskins, Boydston.
Discus—Davis, Stamper, Boydston.
Hop, skip and jump—Jacks and Boydston.

COMPANY F IS READY.

The Members and Officers Await the War Call—Its First Move Would Be to Nevada, Mo.

Company F is ready for the outbreak in Mexico, and within forty-eight hours members of the company would be prepared to leave for the front if ordered out, officers said today. The company contains 67 members and it has not been recruited to war strength, and this number would be augmented by at least 61 should hostilities be declared against the southern republic and the company called upon for service. War strength is 128 members.

At present the Fourth regiment, of which company F is a member, contains only eleven companies. It would be necessary to organize a new company, and this would be formed at Burlington Junction, Stanberry and Maryville, according to present plans.

In all probability if the Fourth regiment should be mustered out its first move would be to Nevada, Mo., which is the centralization point of the fourteenth military division.

A number had signified their intention of joining Company F in case war is declared.

BENNETT FOR CITY CLERK.

That is the Latest Dope From the City Hall—To Spend All His Time There.

According to the latest dope from the city hall, Mayor U. S. Wright has offered the city clerkship to Chester W. Bennett, and his appointment will come up at the city council meeting in May. Mr. Bennett will probably accept.

The new city clerk is to spend all of his time at the city hall from morning until night.

Mr. Bennett is a young man of much ability.

Mr. and Mrs. Frank West and children of near Harmony church were shopping in the city Saturday.

GIRL MURDERED

AT GEDDES, S. D., BEING MISS BLANCHE SIGNAL.

FORMERLY LIVED HERE

And Graduated From the Maryville Business College in 1908—Daughter of Mrs. Alice Signal.

Miss Blanche Signal, a former Maryville girl and a graduate of the Maryville Business college in 1908, is a victim in a double murder mystery enacted last Friday, April 17, at Geddes, S. D.

Miss Signal's body and the body of her employer, W. H. Menzie, were found in the fire-swept ruins of the Farmers Co-Operative Elevator company's office on Friday.

The bodies were wire-bound. The girl's hands and feet were bound with wire, while Menzie's legs were tied in a similar manner and there was a bullet wound through his head. Whether the girl had been shot could not be determined.

The pistol, which was kept in the office for protection, was found in the ruins at a spot near where Menzie's body lay. One exploded shell was found in the cylinder and another shot seemed to have blown the gun barrel off.

The Associated Press dispatches say that developments, although very few, point strongly to murder and suicide, but the friends of both victims refuse to accept these versions. The police are working on both theories.

The robbery theory was shattered when it was found that no money was taken from Menzie, and a considerable sum was found in his clothing.

Menzie was widely known in the state as a promoter of the farmers' co-operative ideas. He was general manager of the Farmers Elevator company, which also included a lumber and stock shipping business. Miss Signal was his bookkeeper.

Miss Signal was the youngest daughter of Mrs. Alice Signal, who came to Maryville from Clyde about seven years ago, for school advantages for her son, Ed Signal, and two daughters, Lorena and Blanche. Both girls, who were about 18 and 16 years old at that time, graduated from the Business college and were good stenographers and bookkeepers.

Blanche was employed during the year 1908 by Secretary G. F. Woodworth in the office of the Poland-China Record association, but a short time before that had been employed by Attorney Charles E. Stilwell. She was competent and attractive and well thought of by a large circle of friends here and at her home in Clyde.

Mrs. Signal and her family lived on a farm near Clyde until after the death of her husband, when she moved to Clyde and opened a millinery business. She is the daughter of William Hagan, who lived between Ravenwood and Clyde.

William Hagan's family also has lived in South Dakota, near Geddes, for several years. His death occurred there two years ago. Mrs. Hagan still lives there. A daughter, Miss Josie Hagan, and a son, Alfred Hagan, live with her. She has another son, Bernard Hagan, and several other daughters in that country beside Mrs. Alice Signal.

During their residence in Maryville they occupied the residence at 207 West Cooper street now owned and occupied by William Linneman and family. About a year after her daughters finished school the family went to Geddes, S. D., and took land. The son lives at Springfield, S. D., and the mother and Miss Lorena live at Geddes.

Friends who have kept in touch with them since their removal to that country say that Miss Blanche Signal was engaged to be married to a young jeweler at Geddes. Her employer, Menzie, whose body was found with hers in the burned ruins of the office buildings, was a rejected suitor. He had been extremely jealous of the attentions of the jeweler, it is said.

The county commissioners of the county in which Geddes is located are awaiting the action of the coroner's jury that was to make its report some time today, Monday, when a reward will be offered if the finding of the jury justifies it.

IN CIRCUIT COURT.

Gaming Case of Ed Anderson Up—Robert Wilson Fined $200 and Was Paroled—The Other Cases.

The gaming charge against Ed Anderson of Elmo was being tried in circuit court this afternoon before a jury composed of Henry Wright, Grant Gann, J. C. Busby, Robert Craven, John Tipson, H. M. Souers, J. H. Eckles, R. A. Strawbridge, Wilbur Smith, John Mutz, P. M. Taylor and Quincy Gilmore. Many witnesses from Elmo are in attendance at the trial.

Robert Wilson, charged with gaming, pleads guilty and was fined $200. Upon application of defendant and for good cause shown and upon statement of defendant's physician, Dr. F. M. Ryan, that defendant's health would be impaired if committed to jail, the defendant was paroled until further orders of the court.

It is expected that the case of the state vs. James Sheridan will be called after the Anderson case.

Mary E. Hutton et al. vs. Albert Huston Gray et al., partition, costs assessed against Mary E. Hutton as per decree on file.

In the case of Elizabeth Prather vs. the Connecticut Fire Insurance company, contract, the appeal bond was fixed at $8,400, to be approved by the clerk within ten days after the court adjourned.

In the matter of Catherine Peve vs. Joseph Coleman, damages, cause continued on motion for new trial.

State vs. Flora Pollen, giving intoxicating liquors to minor, continued by agreement.

State vs. Lena Halley, giving intoxicating liquor to minor, cause continued by agreement.

All of the cases against Oscar Sallee were continued by agreement. There are eleven cases, one being a charge of keeping a common gambling house, two on a charge of ordering, receiving, storing and keeping intoxicating liquor, two on charges of delivering intoxicating liquor to minor, and six being gaming charges.

CLEAN-UP DAY OBSERVED.

Pursuant to Proclamation, People Clean Up All Rubbish, Cans, Etc.

Monday, in accordance with the proclamation issued by Mayor U. S. Wright, the people in general cleaned up their yards and discarded all the old rubbish which had accumulated in sheds, buildings, etc.

Street Commissioner M. I. Woods started out at noon with a crew of workmen and teams to gather up all the trash which had been piled in the streets this morning. He expected to have it all carted away by night.

There will probably be about 2,000 visitors in the city on Friday and Saturday, and the clean-up proclamation was issued so as to be able to show these visitors a good clean city, and Mayor Wright says according to the present outlook Maryville will be able to do this.

He also states that it is to be hoped that the people will keep their property in this condition.

WALKING WOOLF'S

THEY ARRIVED IN MARYVILLE MONDAY MORNING.

FIFTH WALKING TRIP

They Have Traveled About 8,000 Miles On This Trip—To Tell About It at the Fern Tonight.

The Woolfs, commonly known as the walking Woolfs, arrived in town at 11.15 Monday morning, en route from Kansas City, their home, to Chicago, Detroit and Toledo.

It was a curious looking arrangement in which they carried their provisions, camping outfit, etc. It was also a two-wheeled affair with a large box placed on the frame of the cart in which their outfit was kept. They were driving a 20-year-old roan horse called "Dollie," and a pet dog called "Don" was following close to the wagon. These animals have made every trip with the Woolfs to date. The wagon was bedecked and bespangled with cards, pennants, souvenirs, letters and notes, pasted, tacked and clinging to the cart in all conceivable positions, and attracted considerable attention from spectators.

From Toledo they will go south through Cincinnati and Louisville to Tampico, Fla., where they will spend the winter. Next spring they will walk down the coast to Norfolk, Va., and sail by steamer to Portland, Me., and walk back to Kansas City, their winter home, by the winter of 1915.

They will have traveled a distance of about 8,000 miles this trip, and will have taken about one and one-half years time.

This is their fifth walking trip, which they have accomplished within a period of about four years, having started May 1, 1910, and have covered the entire United States; that is to say, they have traveled around all four corners of the United States. Having been in San Diego, Cal., and on the Atlantic coast from Atlanta, Ga., to Boston, Mass., crossed the southern states, including Texas, San Antonio being their southern point in 1910. In the year 1910 they also walked from Kansas City to New York City.

They say that their western trip was the most interesting. They left Kansas City on May 1st, 1912, and walked to Salt Lake City, Utah, crossing the Green river desert afoot, then at Salt Lake they shipped their goods across the Nevada desert to southern California, then to San Diego, Cal., thence to Seattle and back to Kansas City, completing the trip the 15th of November.

The trip which they are making at present is simply to visit parts of the United States which they have not yet traveled. When they complete this trip they will have gone a distance equal to the circumference of the earth.

The Woolfs never ride in their cart, always tramping and camping. They are not walking on a wager or for any prizes, but purely for pleasure and health. They consider that their health is worth more to them than money. They make their expenses by selling souvenir postal cards.

They will spend the day in Maryville, and will appear at the Fern theater tonight, giving an illustrated lecture on their travels. They will show slides of different views and cities which they have visited in their travels and motion pictures of several scenes.

They will resume their travels from this place tomorrow morning.

The Latest Kind of Party.

"Tying-up parties" are the latest thing in Maryville. What are they? Why, where people get together to tie up the bundles of magazines that are being collected for Magazine day, next Wednesday, you know. The ladies of the City Federation and their friends are very busy and they are getting so many phone calls in regard to the matter that they believe they will have all they need next Wednesday. But some people are forgetting to tie them up in bundles, those that are being brought in early, so Mrs. G. H. Colbert was the chaperon of a party that met at the library Saturday evening to tie up magazines, and Mrs. C. C. Corwin was the chaperon of a party in her garage at home for the same purpose. Next Wednesday all who will are cordially invited to come to the Dorrusch building and help tie up those gathered on that day by the drays.

Mission Circle Meeting.

Mrs. George P. Wright was hostess to the Young Ladies' Mission Circle of the First Christian church Saturday afternoon. In the absence of Mrs. W. E. Goforth, Miss Maud Hagins was leader. Owing to the postponement of the March meeting the March and April programs were given at this meeting. A paper on "America, God's Melting Pot—Testing the Products," was given by Mrs. Byron Rhoades from chapter 6. A Bible study, "Wycliffe and His Bible," was given by Mrs. G. B. Roseberry. A paper by Miss Myrtle McPherren, from chapter 1 of "The New America, the Beginning," was read. A vocal solo, Miss Nellie Douglas. A very clever letter was read by Mrs. J. S. Shinabargar from Mrs. H. A. Denton of Galesburg, Ill., a former pastor's wife here, and was much appreciated. One new member was added, Mrs. John Jones, and there were two visitors, Mrs. E. E. Thomas of Des Moines, Ia., the mother of Mrs. Robert L. Finch, and her aunt, Mrs. John Rusk of Indianapolis, Ind. The hostess served a lovely luncheon.

Each one had brought something for the bride-elect, and she opened the packages in their presence, and they were both beautiful and useful. "WHO REAPS THE WILD OATS?"

Such is the Subject of an Address to Be Given Tuesday at Baptist Church by Mrs. Winter.

Mrs. Etta F. Winter of St. Joseph, state superintendent of purity of the W. C. T. U., and first vice president of the Federation of Women's Clubs of St. Joseph, will address the women of Maryville, Tuesday afternoon at the First Baptist church on the equal suffrage question, subject, "Who Reaps the Wild Oats?" In the evening she will speak at the court house on "Politics and the Home." All men and women are invited to attend this meeting.

Mrs. Winter, wife of Rev. B. B. Winter of Hyde Park Presbyterian church, is one of the most earnest suffrage workers in St. Joseph, and says that one of the greatest obstacles that she has met with are ignorance and indifference.

The suffragists give as their reasons for wanting to vote:

First—The elective franchise is a natural right of which women are unjustly deprived.

Second—Women should have direct voice in laws they are expected to obey; man-made laws work hardships to women.

Third—To deny women the ballot while expecting them to pay taxes is a violation of the colonial war cry, "Taxation Without Representation is Tyranny."

Fourth—The ballot would give women an economic lever with which to compel equal pay for equal work with men.

Fifth—Society would gain by women's participation in politics in that she would purify the ballot, abolish war, the whisky traffic, the social evil, and effect other needed reforms.

FALLING HAIR AND ITCHING SCALP

Needless—Use Parisian Sage.

Now that Parisian Sage can be had at any drug counter it is certainly needless to have thin, brittle, matted, stringy or faded hair. No matter how unsightly the hair, how badly it is falling, or how much dandruff, Parisian Sage is all that is needed. Frequent applications and well rubbed into the scalp will do wonders—it acts like magic. The hair roots are nourished and stimulated to grow new hair, itching scalp, dandruff and falling hair cease—your head feels fine. Best of all, the hair becomes soft, fluffy, abundant and radiant with life and beauty.

You will be surprised and delighted with Parisian Sage. Try at least one fifty-cent bottle from T. J. Parle. He will refund the purchase price if you are not satisfied.

Death at Barnard.

Miss Sarah Smith, 60 years old, died Sunday night at her home in Barnard. She had been in poor health all winter and spring, but had not been down sick but four days. The funeral services will be held Wednesday forenoon at 11 o'clock at the Church of Christ in Barnard, by Rev. Foreman of Bedford. Burial in Graham cemetery.

Miss Smith was the daughter of Jackson and Marion Smith, who lived in Andrew county for many years. Her father died twenty-six years ago and her mother died five years ago. She had lived in Barnard the past sixteen years. She is survived by three brothers and two sisters.

Made False Return?

According to a statement on file in the county clerk's office, Ed F. Hamlin, assessor of Polk township, says: "I have reason to believe that F. M. Workman has made a false return of his personal assessment for the year 1914." The matter will be taken up with the county court at their next meeting.

WHY ARE YOU SO TIRED?

The Weather is Not to Blame for That "Dragged Out" Feeling.

"This weather simply takes the life right out of me, I can hardly drag one foot after the other," said a run-down, tired-out woman the other day.

We want to say to every such person in this vicinity. Don't blame the weather, it's your condition. You need a strengthening tonic and the very best we know is Vinol, which is a combination of the two most world-famed tonics, namely, the medicinal, curative elements of cod liver oil and tonic iron, for the blood.

A case has just come to our attention from Milford, Mich. "Mrs. Julia Barber says: "I was run down and hardly able to drag about; my appetite was poor and I was not able to work. My druggist asked me to try Vinol. The first bottle helped me, and after taking the second bottle I was able to work and felt well and strong. Vinol is the best medicine I have ever taken."

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

TALK OF PAVING.

Mayor U. S. Wright is Strongly in Favor of More Paving—Will Come Up Soon.

The new mayor, U. S. Wright, is strongly in favor of more paving, and it is probable that something will be done along this line later on.

There has been some talk of paving Fifth street from Buchanan to Market streets, being the street in front of the postoffice building. Then the two blocks on Market street between First and Second streets, and also from First street on Market to Jenkins, and from Market on Jenkins to Main street, or around the First Baptist church.

Mayor Wright's plan is to have all this paving work submitted at the same time, so a contractor can figure on all of it. It is believed that it will be a little cheaper that way than by having them figure on two or three blocks.

TO REPRESENT ST. JOSEPH.

Four K. of P. Lodges of That City Have Named Their Delegates to the Maryville Convention.

The district Pythian convention will be held in Maryville on Thursday, and it is expected that there will be a large number of members of that order in attendance. Plans are now being arranged for the meeting, and the visitors are to be royally entertained during their stay here.

The St. Joseph News-Press, in Saturday's issue, had the following:

The occasion is the 50th semi-annual meeting of the First Missouri District Pythian association. The St. Joseph delegates are: Lodge No. 22, Samuel Wilcox, G. J. Whitehead, R. S. Newcomer, O. C. These delegates will be accompanied by more than 100 Pythians. The number going on the St. Joseph special, however, will be considerably swelled by delegates and members from nearby towns. The train service is not limited to members of the order.

Troop No. 43 of the Uniform Rank, Knights of Pythias, with Company No. 17, will attend in uniform. George J. BeGole is captain of Troop No. 43, and has served as its commander for sixteen years.

Carl J. Griswold, who is a past president of the district association, is captain of Company No. 17.

VOLUME 4. MARYVILLE, MISSOURI, MONDAY, APRIL 20, 1914. NO. 275.

FOR TRACK MEET

GREAT PREPARATIONS ARE BEING MADE.

MANY SCHOOLS COMING

Declamatory Contest on Friday and Meet on Saturday—Cups and Medals on Display.

Great preparations are being made for the fifth annual track meet of the Northwest Missouri Inter-High School association, to be held at Normal athletic field, April 25. The largest crowd that ever attended a track meet in Maryville is expected to take part in the events this year if the weather is good.

The reception committee, of which W. M. Oakerson is chairman, is greatly in need of rooming and boarding houses for the big crowd that is expected. Information cards are at Reuillard's and Pearson's drug store. Many people will come in Thursday and Friday, and they will have to be taken care of.

Thirty-three high schools will compete in the track events and literary contests. Twenty-seven high schools have entered the track meet events, being eight more than last year. There are 196 students to take part in the track events. The preliminary contests will be held Saturday morning and the main events will start at 2 o'clock sharp Saturday afternoon.

The elimination contest of the oratorical events will be held Friday afternoon at the Normal. Nineteen orations, fifteen declamations and seven essays have been sent in for the oratorical contests. The oratorical contests will be held at the Normal chapel Friday night, starting at 8 o'clock. The St. Joseph Central high school orchestra will furnish music.

The trophy cups are on display at DeHart & Holmes' jewelry store. There are four of them, championship, class B, class C and relay cups. The gold, silver and bronze medals are on display at Raines Bros.' jewelry store. The cups are for schools and the medals are for individual winners of events.

Tickets will be put on sale Wednesday morning. Admission charges are as follows. Oratorical contest, 25 cents; track events, 25 cents; preliminary track events, 10 cents.

Spectators will not be allowed on the field or track during the athletic events. This rule will be strictly enforced this year, and no one will be allowed on the field unless he be an official or an attendant. Much complaint was made last year of spectators crowding on the field and the track men were hampered in their efforts

It is probable that the Maryville band will furnish music during the meet. The Union Bus company will run motor buses to the grounds, starting from the corner of Fourth and Main streets.

The four high point getters in last year's track meet were: First, St. Joseph Central high; second, Bosworth; third, Platte City; fourth, Chillicothe. Eleven new records were made last year and four stood unequaled. With the absence of two stars of the 1913 track meet, Simpson of Bosworth and Niedorp of St. Joseph Central, it is probable that but a few records will be broken this year.

The winners in the oratorical contests of 1913 were: Girls' declamatory, Hazel Vaughn of St. Joseph Central; boys' oratorical, Roy David of Maryville; essay contest, A. F. Baker of Platte City.

The officers of the 1915 track meet and literary contests will be elected Friday night. The officers of this year's meet are:

President—A. R. Coburn of Chillicothe.

Vice president—F. C. Touton of St. Joseph.

Secretary—J. C. Godbey of Tarkio.

Treasurer—W. M. Westbrook of Maryville.

Corresponding secretary—H. P. Swinehart.

Arrested for Drunkenness.

DOPE FAVORS ST. JOSEPH.

Central High School of That City Expects to Win Saturday—Platte City is Coming.

The St. Joseph Central high school track team is coming to Maryville Saturday and expects to carry off the honors. Coach Moyer of that school has picked his team and he is sanguine of success. Central has only lost first place once since the track meets have been held here during the past four years.

Coach Moyer figures that his team can win forty points, not counting any firsts, which would be sufficient to carry away the honors. Two star men have been developed in the discus. Rohloff swung the weight 106 feet in the trials a few days ago and Johnson has a record of 115 feet, but he has trouble staying in the ring. Rohloff has a mark of 39 feet in the shot, which should be good for a place. In the high hurdle trials Rice cleared the sticks recently in 18 flat, breaking the Maryville record, while Castle equaled it with 18-1. Hastings is the best miler in the school. He is a junior and a new student at Central, coming here from Martin, Kan. He should be good for 5:06 or 5:07. He can run the half in 2:13. Sellars ran the quarter in 58 the other day on a poor track. This is equivalent to about 55 on a good track.

Platte City is also to be well represented in the track meet and declamatory contest in Maryville Friday and Saturday. The following is a dispatch from that city as to their team:

The following will go to Maryville to the track meet and oratorical contest: Ward Miller, Heber Hunt, Robert Boydston, Placeit DeMasters, R. Miller, Lloyd Hoskins, R. Jacks, Joy Davis, William Skillman, Danny Stamper and Miss Juanita Risk. Miss Risk will enter the declamatory contest with "Ramola and Savanarola." Heber Hunt is on the track team and will also enter the oratoricals with "Webster's Reply to Hayne." R. Boydston, captain of the track team, will compete in the essay contest with "The Keokuk Dam and Its Significance." The track entries follow:

100-yard dash—R. Miller, DeMasters.
220-yard dash—R. Miller.
440-yard dash—R. Miller, W. Miller.
Half-mile—DeMasters, Stamper.
Mile—DeMasters, Stamper.
120 hurdles—Hoskins, Skillman.
220 hurdles—R. Miller, Boydston.
Pole vault—Skillman.
Shot put—R. Miller, Davis.
Half-mile relay—Skillman, DeMasters, Jacks, R. Miller, Hoskins, W. Miller, Boydston.
Running high jump—Hunt, Hoskins, Skillman, Boydston.
Running broad jump—Skillman, Hoskins, Boydston.
Discus—Davis, Stamper, Boydston.
Hop, skip and jump—Jacks and Boydston.

COMPANY F IS READY.

The Members and Officers Await the War Call—Its First Move Would Be to Nevada, Mo.

Company F is ready for the outbreak in Mexico, and within forty-eight hours members of the company would be prepared to leave for the front if ordered out, officers said today. The company contains 67 members and it has not been recruited to war strength, and this number would be augmented by at least 61 should hostilities be declared against the southern republic and the company called upon for service. War strength is 128 members.

At present the Fourth regiment, of which company F is a member, contains only eleven companies. It would be necessary to organize a new company, and this would be formed at Burlington Junction, Stanberry and Maryville, according to present plans.

In all probability if the Fourth regiment should be mustered out its first move would be to Nevada, Mo., which is the centralization point of the fourteenth military division.

A number had signified their intention of joining Company F in case war is declared.

The new city clerk is to spend all of his time at the city hall from morning until night.

GIRL MURDERED

AT GEDDES, S. D., BEING MISS BLANCHE SIGNAL.

FORMERLY LIVED HERE

And Graduated From the Maryville Business College in 1908—Daughter of Mrs. Alice Signal.

Miss Blanche Signal, a former Maryville girl and a graduate of the Maryville Business college in 1908, is a victim in a double murder mystery enacted last Friday, April 17, at Geddes, S. D.

Miss Signal's body and the body of her employer, W. H. Menzie, were found in the fire-swept ruins of the Farmers Co-Operative Elevator company's office on Friday.

The bodies were wire-bound. The girl's hands and feet were bound with wire, while Menzie's legs were tied in a similar manner and there was a bullet wound through his head. Whether the girl had been shot could not be determined.

The pistol, which was kept in the office for protection, was found in the ruins at a spot near where Menzie's body lay. One exploded shell was found in the cylinder and another shot seemed to have blown the gun barrel off.

The Associated Press dispatches say that developments, although very few, point strongly to murder and suicide, but the friends of both victims refuse to accept these versions. The police are working on both theories.

The robbery theory was shattered when it was found that no money was taken from Menzie, and a considerable sum was found in his clothing.

Menzie was widely known in the state as a promoter of the farmers' co-operative ideas. He was general manager of the Farmers Elevator company, which also included a lumber and stock shipping business. Miss Signal was his bookkeeper.

Miss Signal was the youngest daughter of Mrs. Alice Signal, who came to Maryville from Clyde about seven years ago, for school advantages for her son, Ed Signal, and two daughters, Lorena and Blanche. Both girls, who were about 18 and 16 years old at that time, graduated from the Business college and were good stenographers and bookkeepers.

Blanche was employed during the year 1908 by Secretary G. F. Woodworth in the office of the Poland-China Record association, but a short time before that had been employed by Attorney Charles E. Stilwell. She was competent and attractive and well thought of by a large circle of friends here and at her home in Clyde.

Mrs. Signal and her family lived on a farm near Clyde until after the death of her husband, when she moved to Clyde and opened a millinery business. She is the daughter of William Hagan, who lived between Ravenwood and Clyde.

William Hagan's family also has lived in South Dakota, near Geddes, for several years. His death occurred there two years ago. Mrs. Hagan still lives there. A daughter, Miss Josie Hagan, and a son, Alfred Hagan, live with her. She has another son, Bernard Hagan, and several other daughters in that country beside Mrs. Alice Signal.

During their residence in Maryville they occupied the residence at 207 West Cooper street now owned and occupied by William Linneman and family. About a year after her daughters finished school the family went to Geddes, S. D., and took land. The son lives at Springfield, S. D., and the mother and Miss Lorena live at Geddes.

Friends who have kept in touch with them since their removal to that country say that Miss Blanche Signal was engaged to be married to a young jeweler at Geddes. Her employer, Menzie, whose body was found with hers in the burned ruins of the office buildings, was a rejected suitor. He had been extremely jealous of the attentions of the jeweler, it is said.

The county commissioners of the county in which Geddes is located are awaiting the action of the coroner's jury that was to make its report some time today, Monday, when a reward will be offered if the finding of the jury justifies it.

IN CIRCUIT COURT.

Gaming Case of Ed Anderson Up—Robert Wilson Fined $200 and Was Paroled—The Other Cases.

The gaming charge against Ed Anderson of Elmo was being tried in circuit court this afternoon before a jury composed of Henry Wright, Grant Gann, J. C. Busby, Robert Craven, John Tilson, H. M. Souers, J. H. Eckles, R. A. Strawbridge, Wilbur Smith, John Mutz, P. M. Taylor and Quincy Gilmore. Many witnesses from Elmo are in attendance at the trial.

Robert Wilson, charged with gaming, pleads guilty and was fined $200. Upon application of defendant and for good cause shown and upon statement of defendant's physician, Dr. F. M. Ryan, that defendant's health would be impaired if committed to jail, the defendant was paroled until further orders of the court.

It is expected that the case of the state vs. James Sheridan will be called after the Anderson case.

Mary E. Hutton et al. vs. Albert Huston Gray et al., partition, costs assessed against Mary E. Hutton as per decree on file.

In the case of Elizabeth Prather vs. the Connecticut Fire Insurance company, contract, the appeal bond was fixed at $8,400, to be approved by the clerk within ten days after the court adjourned.

In the matter of Catherine Peve vs. Joseph Coleman, damages, cause continued on motion for new trial.

State vs. Flora Pollen, giving intoxicating liquors to minor, continued by agreement.

State vs. Lena Halley, giving intoxicating liquor to minor, cause continued by agreement.

All of the cases against Oscar Sallee were continued by agreement. There are eleven cases, one being a charge of keeping a common gambling house, two on a charge of ordering, receiving, storing and keeping intoxicating liquor, two on charges of delivering intoxicating liquor to minor, and six being gaming charges.

CLEAN-UP DAY OBSERVED.

Pursuant to Proclamation, People Clean Up All Rubbish, Cans, Etc.

Monday, in accordance with the proclamation issued by Mayor U. S. Wright, the people in general cleaned up their yards and discarded all the old rubbish which had accumulated in sheds, buildings, etc.

Street Commissioner M. I. Woods started out at noon with a crew of workmen and teams to gather up all the trash which had been piled in the streets this morning. He expected to have it all carted away by night.

There will probably be about 2,000 visitors in the city on Friday and Saturday, and the clean-up proclamation was issued so as to be able to show these visitors a good clean city, and Mayor Wright says according to the present outlook Maryville will be able to do this.

He also states that it is to be hoped that the people will keep their property in this condition.

WALKING WOOLF'S

THEY ARRIVED IN MARYVILLE MONDAY MORNING.

FIFTH WALKING TRIP

They Have Traveled About 8,000 Miles On This Trip—To Tell About It at the Fern Tonight.

The Woolfs, commonly known as the walking Woolfs, arrived in town at 11.15 Monday morning, en route from Kansas City, their home, to Chicago, Detroit and Toledo.

It was a curious looking arrangement in which they carried their provisions, camping outfit, etc. It was also a two-wheeled affair with a large box placed on the frame of the cart in which their outfit was kept. They were driving a 20-year-old roan horse called "Dollie," and a pet dog called "Don" was following close to the wagon. These animals have made every trip with the Woolfs to date. The wagon was bedecked and bespangled with cards, pennants, souvenirs, letters and notes, pasted, tacked and clinging to the cart in all conceivable positions, and attracted considerable attention from spectators.

From Toledo they will go south through Cincinnati and Louisville to Tampico, Fla., where they will spend the winter. Next spring they will walk down the coast to Norfolk, Va., and sail by steamer to Portland, Me., and walk back to Kansas City, their winter home, by the winter of 1915.

They will have traveled a distance of about 8,000 miles this trip, and will have taken about one and one-half years time.

This is their fifth walking trip, which they have accomplished within a period of about four years, having started May 1, 1910, and have covered the entire United States; that is to say, they have traveled around all four corners of the United States. Having been in San Diego, Cal., and on the Atlantic coast from Atlanta, Ga., to Boston, Mass., crossed the southern states, including Texas, San Antonio being their southern point in 1910. In the year 1910 they also walked from Kansas City to New York City.

They say that their western trip was the most interesting. They left Kansas City on May 1st, 1912, and walked to Salt Lake City, Utah, crossing the Green river desert afoot, then at Salt Lake they shipped their goods across the Nevada desert to southern California, then to San Diego, Cal., thence to Seattle and back to Kansas City, completing the trip the 15th of November.

The trip which they are making at present is simply to visit parts of the United States which they have not yet traveled. When they complete this trip they will have gone a distance equal to the circumference of the earth.

The Woolfs never ride in their cart, always tramping and camping. They are not walking on a wager or for any prizes, but purely for pleasure and health. They consider that their health is worth more to them than money. They make their expenses by selling souvenir postal cards.

They will spend the day in Maryville, and will appear at the Fern theater tonight, giving an illustrated lecture on their travels. They will show slides of different views and cities which they have visited in their travels and motion pictures of several scenes.

They will resume their travels from this place tomorrow morning.

The Latest Kind of Party.

"Tying-up parties" are the latest thing in Maryville. What are they? Why, where people get together to tie up the bundles of magazines that are being collected for Magazine day, next Wednesday, you know. The ladies of the City Federation and their friends are very busy and they are getting so many phone calls in regard to the matter that they believe they will have all they need next Wednesday. But some people are forgetting to tie them up in bundles, those that are being brought in early, so Mrs. G. H. Colbert was the chaperon of a party that met at the library Saturday evening to tie up magazines, and Mrs. C. C. Corwin was the chaperon of a party in her garage at home for the same purpose. Next Wednesday all who will are cordially invited to come to the Borrusch building and help tie up those gathered on that day by the drays.

Mission Circle Meeting.

Mrs. George P. Wright was hostess to the Young Ladies' Mission Circle of the First Christian church Saturday afternoon. In the absence of Mrs. W. E. Goforth, Miss Maud Hagins was leader. Owing to the postponement of the March meeting the March and April programs were given at this meeting. A paper on "America, God's Melting Pot—Testing the Products," was given by Mrs. Byron Rhoades from chapter 6. A Bible study, "Wycliffe and His Bible," was given by Mrs. G. B. Roseberry. A paper by Miss Myrtle McPherren, from chapter 1 of "The New America, the Beginning," was read. A vocal solo, Miss Nellie Douglas. A very clever letter was read by Mrs. J. S. Shinabargar from Mrs. H. A. Denton of Galesburg, Ill., a former pastor's wife here, and was much appreciated. One new member was added, Mrs. John Jones, and there were two visitors, Mrs. E. E. Thomas of Des Moines, Ia., the mother of Mrs. Robert L. Finch, and her aunt, Mrs. John Rusk of Indianapolis, Ind. The hostess served a lovely luncheon.

Each one had brought something for the bride-elect, and she opened the packages in their presence, and they were both beautiful and useful. "WHO REAPS THE WILD OATS?"

Such is the Subject of an Address to Be Given Tuesday at Baptist Church by Mrs. Winter.

Mrs. Etta F. Winter of St. Joseph, state superintendent of purity of the W. C. T. U., and first vice president of the Federation of Women's Clubs of St. Joseph, will address the women of Maryville, Tuesday afternoon at the First Baptist church on the equal suffrage question, subject, "Who Reaps the Wild Oats?" In the evening she will speak at the court house on "Politics and the Home." All men and women are invited to attend this meeting.

Mrs. Winter, wife of Rev. B. B. Winter of Hyde Park Presbyterian church, is one of the most earnest suffrage workers in St. Joseph, and says that one of the greatest obstacles that she has met with are ignorance and indifference.

The suffragists give as their reasons for wanting to vote:

First—The elective franchise is a natural right of which women are unjustly deprived.

Second—Women should have direct voice in laws they are expected to obey; man-made laws work hardships to women.

Third—To deny women the ballot while expecting them to pay taxes is a violation of the colonial war cry, "Taxation Without Representation is Tyranny."

Fourth—The ballot would give women an economic lever with which to compel equal pay for equal work with men.

Fifth—Society would gain by women's participation in politics in that she would purify the ballot, abolish war, the whisky traffic, the social evil, and effect other needed reforms.

FALLING HAIR AND ITCHING SCALP

Needless—Use Parisian Sage.

Now that Parisian Sage can be had at any drug counter it is certainly needless to have thin, brittle, matted, stringy or faded hair. No matter how unsightly the hair, how badly it is falling, or how much dandruff, Parisian Sage is all that is needed. Frequent applications and well rubbed into the scalp will do wonders—it acts like magic. The hair roots are nourished and stimulated to grow new hair, itching scalp, dandruff and falling hair cease—your head feels fine. Best of all, the hair becomes soft, fluffy, abundant and radiant with life and beauty.

You will be surprised and delighted with Parisian Sage. Try at least one fifty-cent bottle from T. J. Parle. He will refund the purchase price if you are not satisfied.

Death at Barnard.

Miss Sarah Smith, 60 years old, died Sunday night at her home in Barnard. She had been in poor health all winter and spring, but had not been down sick but four days. The funeral services will be held Wednesday forenoon at 11 o'clock at the Church of Christ in Barnard, by Rev. Foreman of Bedford. Burial in Graham cemetery.

Miss Smith was the daughter of Jackson and Marion Smith, who lived in Andrew county for many years. Her father died twenty-six years ago and her mother died five years ago. She had lived in Barnard the past sixteen years. She is survived by three brothers and two sisters.

Made False Return?

According to a statement on file in the county clerk's office, Ed F. Hamlin, assessor of Polk township, says: "I have reason to believe that F. M. Workman has made a false return of his personal assessment for the year 1914." The matter will be taken up with the county court at their next meeting.

WHY ARE YOU SO TIRED?

The Weather is Not to Blame for That "Dragged Out" Feeling.

"This weather simply takes the life right out of me, I can hardly drag one foot after the other," said a run-down, tired-out woman the other day.

We want to say to every such person in this vicinity. Don't blame the weather, it's your condition. You need a strengthening tonic and the very best we know is Vinol, which is a combination of the two most world-famed tonics, namely, the medicinal, curative elements of cod liver oil and tonic iron, for the blood.

A case has just come to our attention from Milford, Mich. "Mrs. Julia Barber says: "I was run down and hardly able to drag about; my appetite was poor and I was not able to work. My druggist asked me to try Vinol. The first bottle helped me, and after taking the second bottle I was able to work and felt well and strong. Vinol is the best medicine I have ever taken."

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

TALK OF PAVING.

Mayor U. S. Wright is Strongly in Favor of More Paving—Will Come Up Soon.

The new mayor, U. S. Wright, is strongly in favor of more paving, and it is probable that something will be done along this line later on.

There has been some talk of paving Fifth street from Buchanan to Market streets, being the street in front of the postoffice building. Then the two blocks on Market street between First and Second streets, and also from First street on Market to Jenkins, and from Market on Jenkins to Main street, or around the First Baptist church.

Mayor Wright's plan is to have all this paving work submitted at the same time, so a contractor can figure on all of it. It is believed that it will be a little cheaper that way than by having them figure on two or three blocks.

TO REPRESENT ST. JOSEPH.

Four K. of P. Lodges of That City Have Named Their Delegates to the Maryville Convention.

The district Pythian convention will be held in Maryville on Thursday, and it is expected that there will be a large number of members of that order in attendance. Plans are now being arranged for the meeting, and the visitors are to be royally entertained during their stay here.

The St. Joseph News-Press, in Saturday's issue, had the following:

The occasion is the 50th semi-annual meeting of the First Missouri District Pythian association. The St. Joseph delegates are: Lodge No. 22, Samuel Wilcox, G. J. Whitehead, R. S. Newcomer, O. C. Peck, George Palfreyman, W. F. Holkenbrink, L. E. Winsheoter; Lodge No. 376, F. D. Clark, Dr. C. W. Lawson, Arthur French.

These delegates will be accompanied by more than 100 Pythians. The number going on the St. Joseph special, however, will be considerably swelled by delegates and members from nearby towns. The train service is not limited to members of the order.

Troop No. 43 of the Uniform Rank, Knights of Pythias, with Company No. 17, will attend in uniform. George J. BeGole is captain of Troop No. 43, and has served as its commander for sixteen years.

Carl J. Griswold, who is a past president of the district association, is captain of Company No. 17.
